

HOPE COMMUNITY CHURCH

MIDDLE SCHOOL MISSION TRIP

IMMERSE, LINCOLN NE

DATES: JULY 9TH- 14TH

Immerse is a service trip in Lincoln, Nebraska, designed to offer middle school and high school youth groups a diverse ministry experience. Participants will serve alongside churches and organizations in the Lincoln and Omaha areas that are seeking to bring about restoration and hope to people who are hurting. Each day, time will be devoted to training, serving, personal devotions, and group debriefing. Participants will hear dynamic stories of life change from local church members. They will serve at-risk children and teenagers, people experiencing homelessness and poverty, people who are incarcerated, refugees, and people struggling with substance abuse. Immerse will raise awareness and challenge students to deepen their relationship with Christ, understand their gifts, and respond to God's call in their lives.

Volunteer opportunities:

Each Immerse week is different, and we will work hard to tailor your Immerse week to some of the gifts, skills, and interests of your group.
